

current Federal employees who participate in the Federal Employees Health Benefits Program, saving an average of over \$400 per year on their Federal income taxes. It is a benefit already available to many private sector employees, and State and local government employees.

Although extending this benefit to Federal annuitants has broad support, it requires a legislative change in the tax laws. The legislation I am introducing today will do just that.

The Federal Employees Health Insurance Premium Conversion Act will provide that the same health insurance premium conversion arrangement afforded to employees in the Executive and Judicial branches of the Federal government, be made available to Federal annuitants.

This year, retirees under the Civil Service Retirement System received a 3.5 percent cost of living adjustment, and those who receive an annuity under the Federal Employees Retirement System received a 2.5 percent adjustment.

This increase in benefits is nearly offset by severe increases in FEHB premiums. In 2000, health premiums increased by an average of 9.3 percent. The Office of Personnel Management reports that a similar increase is expected again this year.

I am deeply concerned about increases in Federal Employee Health Benefit premiums in recent years. Health care coverage is provided to over 9 million Federal employees, retirees and their families under FEHBP. Ensuring affordable health care coverage for all Federal employees and their dependents must remain a priority for Congress.

In addition, I am pleased that this bill will also allow uniformed services retiree beneficiaries, their family members and survivors to pay their TRICARE Prime enrollment fees and TRICARE Standard supplemental insurance premiums with pre-tax dollars. TRICARE Standard supplemental insurance premiums paid by active duty personnel are also covered by the legislation which allows for an above the line deduction to benefit active duty personnel and their families.

This is a critical issue to many retirees, especially those living on a fixed income. Extending premium conversion will provide much needed relief from the increasing cost of health care insurance. It will help to ensure that more Federal retirees are able to afford continued coverage under the Federal Employees Health Benefits program.

I encourage my colleagues to support this critical legislation and show their support of these Federal civilian and military retirees for their dedicated service. I ask unanimous consent that the text of the bill be printed in the RECORD.

There being no objection, the bill was ordered to be printed in the RECORD, as follows:

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. PRETAX PAYMENT OF HEALTH INSURANCE PREMIUMS BY FEDERAL CIVILIAN AND MILITARY RETIREES.

SENATE RESOLUTION 109—DESIGNATING THE SECOND SUNDAY IN THE MONTH OF DECEMBER AS “NATIONAL CHILDREN'S MEMORIAL DAY” AND THE LAST FRIDAY IN THE MONTH OF APRIL AS “CHILDREN'S MEMORIAL FLAG DAY”

Mr. REID (for himself, Mr. EDWARDS, Mrs. MURRAY, and Mr. CLELAND) submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 109

Whereas approximately 80,000 infants, children, teenagers, and young adults of families living throughout the United States die each year from myriad causes;

Whereas the death of an infant, child, teenager, or young adult of a family is considered to be 1 of the greatest tragedies that a parent or family will ever endure during a lifetime;

Whereas a supportive environment, empathy, and understanding are considered critical factors in the healing process of a family that is coping with and recovering from the loss of a loved one; and

Whereas April is National Child Abuse Prevention month: Now, therefore, be it

Resolved,

SECTION 1. DESIGNATION OF NATIONAL CHILDREN'S MEMORIAL DAY AND CHILDREN'S MEMORIAL FLAG DAY.

The Senate—

(1) designates the second Sunday in the month of December as “National Children's Memorial Day” and the last Friday in the month of April as “Children's Memorial Flag Day”; and

(2) requests that the President issue a proclamation calling upon the people of the United States to—

(A) observe “National Children's Memorial Day” with appropriate ceremonies and activities in remembrance of the many infants, children, teenagers, and young adults of families in the United States who have died; and

(B) fly the Children's Memorial Flag on “Children's Memorial Flag Day”.

Mr. REID. Mr. President, I rise today to submit a resolution which would designate the second Sunday in December as “National Children's Memorial Day.” The resolution would set aside this day to remember all the children who die in the United States each year. While I realize the families of these children deal with the grief of their loss every day, I would like to commemorate the lives of these children with a special day as well.

The Senate has passed a resolution for each of the past three years to designate the second Sunday in December as “National Children's Memorial Day.” This year, the resolution I am introducing would establish this day as an annual observance. The parents and family members of the children who have died deserve the comfort of knowing that they will always have a special day set aside to honor the memory of their loved ones.

The death of a child at any age is a shattering experience for a family. I have had many constituents share

their heart-wrenching stories with me about the death of their son or daughter. I have heard heroic stories of kids battling cancer or diabetes, and tragic stories of car accidents and drownings. Each of these families has had their own experience, but they must all continue with their lives and deal with the incredible pain of losing a child. By establishing a day to remember children that have passed away, bereaved families from all over the country will be encouraged and supported in working through their grief. It is important to families who have suffered such loss to know that they are not alone.

In addition, this year, I have added a provision to designate the fourth Friday in April as "National Children's Memorial Flag Day" in recognition of children who have died as a result of violence. April has been designated as National Child Abuse Prevention Month, an annual tradition started by President Jimmy Carter in 1979. Many State and local governmental agencies and private organizations already fly the Children's Memorial Flag on the fourth Friday in April to remember children lost to violence. Recognizing this day is another way we can commemorate the lives of children.
